Drive-Thru Voter Registration at Six Locations

(Cleveland) In recognition of National Voter Registration Day on September 27, the Cuyahoga County Board of Elections will make it fast and convenient to register to vote or to update their name and/or address at six drive-thru locations. Motorists and passengers will be able to stay in their vehicle to complete the process of registering or updating registration.

“The Board is making it as easy as getting a hamburger or a cup of coffee by offering drive-thru voter registration to vote this November,” said Pat McDonald, Director of the Board of Elections. “Staff will hand you a clipboard to complete the form, and you will be on your way in minutes knowing you are registered to vote.”

Cuyahoga County leads the state in the number of new registered voters with over 56,000 people having registered to vote since January. There are now close 880,000 voters and that number will only grow as additional registrations come in between now and the registration deadline of October 11th. “This increase the result of joint efforts between the Board and numerous groups, organizations, and individuals who have held voter registration drives. We owe them our gratitude as we recognize National Voter Registration Day,” said McDonald.

- **Cuyahoga County Board of Elections**, 2925 Euclid Avenue, Cleveland, OH 44115
