Municipal Corporations

Cities and Villages

As used in Ohio law, the terms “municipal corporation” or “municipality” refer either to a city or a village. A municipal corporation’s classification as a city or village is based on its population as determined by the most recent decennial federal census or, alternatively, the number of registered electors at the most recent general election. Municipal corporations that, at the last federal census, had a population of 5,000 or more, or at the last general election had 5,000 registered electors, are classified as cities. All other municipal corporations are classified as villages. (R.C. 703.01, 703.011)

Although many of the elective offices of cities and villages share common names, those offices are governed by different statutes. A candidate should become familiar with the statutes that set forth the duties of, and eligibility requirements for, the specific office the candidate seeks.

Also, note that, for election purposes, the law distinguishes between villages with populations of fewer than 2,000 and those with populations between 2,000 and 4,999.

Municipal Limited Home Rule

Ohio law allows municipal corporations to organize under one of four specific plans of government that provide a limited amount of home rule. These plans – the charter, commission, city manager, and federal plans – are provided for in Article XVIII of the Ohio Constitution and Chapter 705 of the Revised Code of Ohio. A candidate seeking election to a municipal office governed by one of the home rule plans must be familiar with the constitutional and statutory provisions that set forth the duties of, and eligibility requirements for, that office.

Municipal Offices (Other Than Judge or Court Clerk)

Note: The following provisions may not apply if a municipal corporation has adopted a charter or other form of limited home rule government. For more information about charter municipalities, contact your county board of elections or the law director/solicitor of the municipal corporation.

**Elimination of Primary Election**

Section 3513.02 of the Revised Code of Ohio provides that a municipal partisan primary election shall not be conducted under certain circumstances.

No primary election will be conducted for a particular political party, if in accordance with R.C. 3513.02, the following occurs:

- No valid declaration of candidacy is filed by a candidate of a political party for election to any of the offices to be voted for at the general election in that year, or
- Not more than one party declaration of candidacy is filed for each office to be voted upon at the general election.

However, if the only office for which there is a primary contest is member of council in a ward, then a primary election will be held for that party only in the ward in which there is a contest, and only the names of the candidates for that ward office will appear on the party’s ballot. (R.C. 3513.02)

---

**Minor Parties**

Prospective candidates of a minor party that has filed a party formation petition should follow the signature requirements and filing deadlines outlined in Chapter 13 of the Ohio Election Official Manual. Nominating petitions for use by prospective candidates of a minor party that has filed a party formation petition are available on the Secretary of State’s website (Form 4-G).

Prospective candidates of a recognized minor party should follow the signature requirements and filing deadlines listed for minor party candidates in this Guide below the office being sought.
Write-In Candidates

Any person wanting to be a write-in candidate must file the Secretary of State’s prescribed Form #13, Declaration of Intent to be a Write-In Candidate.

Only write-in candidates who have filed a valid declaration of intent will have votes counted in the election for which the candidate filed (R.C. 3513.041).

A write-in candidate must meet all of the eligibility requirements of the office being sought. (See specific office for qualifications.)

A write-in candidate must file his or her Form #13 with the appropriate county board of elections. Please review the “Filed With” section of the office being sought for additional guidance.

A declaration of intent to be a write-in candidate in the primary election must be filed no later than 4 p.m. on February 21, 2017* (72 days before the primary election) (R.C. 3513.041).

A declaration of intent to be a write-in candidate in the general election must be filed no later than 4 p.m. on August 28, 2017* (72 days before the general election) (R.C. 3513.041).

A write-in candidate must pay the same filing fee as any other candidate for the office (R.C. 3513.10).

* Note: This deadline falls on a day when the Secretary of State and county board of elections are closed. Therefore, the deadline is extended pursuant to R.C. 1.14 to the next succeeding day when the appropriate office is open for regular business hours.

Political Party Affiliation of Candidates for Party Nomination

A person may be a candidate for nomination of any political party at a primary election (regardless of party affiliation established by voting in a prior partisan primary) if either of the following apply:

• The person does not hold elective office, or
• The person holds an elective office other than one for which candidates are nominated at a primary election.

However, a person holding an elective office for which candidates are nominated at a party primary may become a candidate for a different political party if the person completes and files the Secretary of State’s prescribed Form #10-Y, Declaration of

(this section continues on the next page)
Intent to Change Political Party Affiliation, by 4 p.m. on the 30th day before the filing deadline for the primary election. The completed Form #10-Y must be filed with the same elections official (e.g., Secretary of State, county board of elections) with which that the person is required to file his or her Declaration of Candidacy and petitions.

A person may file such declaration of intent only once during a period of 10 years after first filing a first declaration of intent (R.C. 3513.191).

Please see R.C. 3513.04 and 3513.052 for further candidacy information.

Independent Candidates

An independent candidate must actually be unaffiliated from any political party, and the required claim of being unaffiliated must be made in good faith for the candidate to be qualified to run as an independent candidate. Morrison v. Colley, 467 F.3d 503 (6th Cir. 2006); Jolivette v. Husted, 694 F.3d 760 (6th Cir. 2012); State ex rel. Davis v. Summit County Board of Elections, 137 Ohio St.3d 222 (2013); State ex rel. Morris v. Stark County Board of Elections, 143 Ohio St.3d 507 (2015).

At the time a prospective independent candidate (other than a judicial candidate) files his or her Nominating Petition, the candidate may request to have the designation “nonparty candidate” or “other party candidate” printed underneath the candidate’s name on the ballot (the designation “independent” may not appear on the ballot). Such request must be given to the office at which the Nominating Petition was filed (R.C. 3505.03, 3513.257).

Please see specific office being sought for qualifications, signature requirements, and filing deadlines.

Restrictions on Filing for Multiple Offices

No person shall seek nomination or election to any of the following offices or positions at the same election by filing a Declaration of Candidacy and petition, Declaration of Intent to be a Write-In Candidate, or a Nominating Petition, or by becoming a candidate through a party nomination in a primary election, or by filling of a vacancy under R.C. 3513.30 or 3513.31:

1. Two or more state offices;
2. Two or more county offices;
3. A state office and a county office;

(this section continues on the next page)
4. A federal and a state or county office; or

5. Any combination of two or more municipal or township offices, positions as a member of a city, local, or exempted village board of education, or position as a member of a governing board of an educational service center (R.C. 3513.052).

The only exception to this prohibition is if a person “timely withdraws” his or her candidacy. A candidate who timely withdraws his or her candidacy prior to board action on his or her petition and prior to the filing deadline may file a new petition for the same or a different office in the same election as the withdrawn petition (State ex rel. Coble v. Lucas County Board of Elections, et al., 130 Ohio St.3d 132 (2011)). Pursuant to R.C. 3513.052(G)(2), "timely withdraws" means either of the following:

1. Withdrawing as a candidate before the applicable filing deadline for filing a Declaration of Candidacy, Declaration of Intent to be a Write-In Candidate, or Nominating Petition for the subsequent office for which the person is seeking to become a candidate at the same election, or

2. Withdrawing as a candidate before the applicable deadline for the filling of a vacancy under sections R.C. 3513.30 or R.C. 3513.31 of the Revised Code, if the person is seeking to become a candidate for a subsequent office at the same election under either of those sections.

A candidate may withdraw only his or her candidacy. Once filed, a candidate may not withdraw the petition or other forms used to initiate his or her candidacy.

## Petitions

County boards of election will provide at least one copy of a candidate petition form upon request. Candidates are permitted to make copies of the forms in the manner they were provided.

Petitions contain three separate sections:

1. The Statement of Candidacy,
2. The Nominating Petition, and
3. The Circulator’s Statement.
**Group Petitions**

Ohio law provides for a “group petition” to be used by candidates nominated only by nominating petition for the following offices: member of a board of education, township trustee (in years when two trustees are to be elected), and offices of villages with under 2,000 population. *(R.C. 3513.261)*

If a group of candidates for one of these offices wants to jointly circulate and file a single petition, they may do so by using the appropriate form:

- #3-S township office;
- #3-MA offices in villages with under 2,000 population;
- #3-U city, local, or exempted village board of education;
- #3-X at-large members of education service center; or
- #3-YA members of newly formed educational service center.

Each of the candidates named in the group petition must sign the “Statement of Candidacy,” and each must pay a separate filing fee. All signatures affixed to the petition are credited to each candidate named on the petition. *(R.C. 3513.10, 3513.261)*

**Rules Governing Petitions**

Below is an overview of the rules governing petitions. For additional information on rules governing petitions, please see Chapter 11 of the Ohio Election Official Manual.

1. The Statement of Candidacy portion of each petition paper must be completely filled out and signed by the candidate(s) before being circulated *(R.C. 3513.07, 3513.09, 3513.261).*

2. Candidates for county commissioner or judge must designate the term of office on the Declaration of Candidacy or Nominating Petition, if more than one office is to be elected at the election *(R.C. 3513.08, 3513.28).*

3. Only qualified electors who are eligible to vote on the candidacy may sign a petition. An elector’s qualifications are determined as of the date the petition is filed *(R.C. 3501.38(A)).*
4. Each signature, written in ink, must be an original signature of an elector or the elector’s duly appointed attorney-in-fact who is acting pursuant to R.C. 3501.382. Generally, signing or affixing a signature to petition requires a person’s written, cursive-style legal mark written in that person’s own hand unless the elector does not use a cursive-style mark during the course of his or her regular business or legal affairs. However, a voter with a disability may personally affix his or her signature through the use of a reasonable accommodation, including the use of assistive technology or an augmentative device such as a signature stamp. (R.C. 3501.011, R.C. 3501.382(F) and related OAG 2015-012).

5. Each signer’s residence address and the date of signing must be placed on the petition after the elector’s signature. The voting address written on the petition must be the address appearing in the registration records of the board of elections (R.C. 3501.38 (C)).

6. Petitions for a candidate for party nomination must be signed and circulated by persons who are members of the same political party as the candidate (R.C. 3513.07). An elector is considered to be a member of a political party if he or she voted in the primary election of that party within the preceding two calendar years, or if he or she did not vote in any other party’s primary election within the preceding two calendar years (R.C. 3513.05, 7th paragraph).

7. A candidate may circulate his or her own petition, although he or she may not sign his or her own petition as an elector. For purposes of circulating his or her own petition, a candidate is exempted from the party affiliation requirements described in number 6 of this section (R.C. 3513.191(C)(4)). A circulator may not sign the same petition paper that he or she is circulating. A circulator may, however, sign a petition paper being circulated for the same candidacy by a different circulator.

8. A circulator must be at least 18 years of age (R.C. 3503.06(C)). (The Ohio residency requirement is not currently in place based on the preliminary injunction in Citizens in Charge v. Husted, Case: 2:13-cv-00935 (S.D. Ohio 11/13/13)).

9. After circulating the petition, the circulator must sign a statement, under penalty of election falsification indicating the following:
   a. The number of signatures contained on the petition;
   b. That the circulator witnessed the affixing of each signature on the petition;
   c. That all signers, to the best of the circulator’s knowledge and belief, were qualified to sign; and
10. That each signature is, to the best of the circulator’s knowledge and belief, the signature of the person whose signature it purports to be.

11. If a circulator knowingly permits an unqualified person to sign a petition paper or permits a person to write a name other than the person’s own on the petition paper, that petition paper is invalid; otherwise, the signature of a person not qualified to sign shall be rejected but shall not invalidate the other valid signatures on the petition paper (R.C. 3501.38(F)).

12. Once a candidate’s petition has been filed with the appropriate election official, it cannot be changed, supplemented, or returned to the candidate.

13. The original petition with the candidate’s original signature must be filed at the same time as all part petitions are filed (R.C. 3501.38(K), 3513.09).

14. Each petition paper shall be circulated by one person only, and shall contain signatures of qualified electors of one county only. When petitions are circulated in a district that contains more than one county, separate petition papers must be circulated in each county (R.C. 3501.38, 3513.05, 3513.07, 3513.261).

15. No petition shall be accepted if it contains more than three times the minimum number of required signatures (R.C. 3513.05, 3513.257, 3513.259).

16. All petitions must contain the following statement in boldface capital letters: “WHOEVER COMMITS ELECTION FALSIFICATION IS GUILTY OF A FELONY OF THE FIFTH DEGREE.” (R.C. 3501.38(J), 3599.36).

   **Note:** The penalties for a fifth degree felony conviction are six to 12 months in prison and/or a fine of $2,500.

17. All petitions remain open for public inspection, under reasonable regulations, at the board of elections at which they were filed (R.C. 3513.05, 3513.262).
Protests

Protests against the candidacy of any person must be in writing, must set forth with specificity the legal ground(s) for the protest, and must be filed with the board of elections where the candidate filed his/her Declaration of Candidacy, Nominating Petition, or Declaration of Intent to be a Write-In Candidate. If the candidate filed with the office of the Secretary of State, the protest must be filed with the Secretary of State (R.C. 3513.041, 3513.05, 3513.262, 3513.263).

After a valid protest is filed, the board of elections or, if applicable, the Secretary of State, must set a time and place for hearing the protest and give notice to both the person whose candidacy is being protested and the protestor. Both the protestor and the protested candidate, or their respective legal counsel, will have the opportunity to address the board or Secretary of State’s hearing officer at the hearing (R.C. 3513.041, 3513.05, 3513.262, 3513.263).

Partisan Primary Candidacy

Protests against any candidate in a partisan primary may be made by the controlling committee of that party, or by any qualified elector who is a member of the same party as the candidate and who is eligible to vote for the candidate whose petition is the subject of the protest (R.C. 3513.05).

The deadline to file a protest against any party candidate who filed a Declaration of Candidacy for the primary is 4 p.m. February 17, 2017 (74 days before the primary election) (R.C. 3513.05).

Write-in Candidacy – Partisan Primary

Any elector eligible to vote on the candidacy of a write-in candidate may protest that candidacy. The deadline to file a protest against a write-in candidate for the primary is 4 p.m. on February 24, 2017 (67 days before the primary election) (R.C. 3513.041).
Independent Candidacy

Protests against an independent candidate may be made by any qualified elector who is eligible to vote for the candidate whose petition is the subject of the protest. The deadline to file a protest against any candidate who filed a Nominating Petition as an independent candidate is 4 p.m. on July 31, 2017* (R.C. 3513.262).

* Note: This deadline falls on a day when the Secretary of State and county board of elections are closed. Therefore, the deadline is extended pursuant to R.C. 1.14 to the next succeeding day when the appropriate office is open for regular business hours.

Nonpartisan Candidacy

Any elector eligible to vote on the candidacy of a candidate for nonpartisan office may protest that candidacy. The deadline to file a protest against any candidate who filed a Nominating Petition as a nonpartisan candidate is 4 p.m. on August 25, 2017 or 74 days before the general election (R.C. 3513.263).

Write-in Candidacy – General Election

Any elector eligible to vote on the candidacy of a write-in candidate may protest that candidacy. The deadline to file a protest against any candidate who filed a declaration of intent to be a write-in candidate is 4 p.m. on September 1, 2017 or 67 days before the general election (R.C. 3513.041).

Unexpired Term Elections

Several statutes govern candidacies for unexpired term elections. R.C. 3513.31 is the general statute that always should be consulted in connection with an unexpired term election for an office that, under Ohio law, is subject to party primaries. R.C. 3513.31(I) provides how and when party nominees are selected for unexpired term elections for such offices, while R.C. 3513.31(J) describes how persons become independent candidates for those unexpired term elections.

Candidates seeking nomination/election to an office for the balance of an unexpired term must include the term-ending date on the petition. Ohio law requires each person filing a Declaration of Candidacy or Nominating Petition as a candidate for the remainder of an unexpired term to designate the date on which that unexpired term will end (R.C. 3513.08, 3513.28). Failure to provide the correct term-ending date on the petition will result in the petition being invalidated.
Death or Withdrawal of Candidate

An individual’s candidacy may cease to exist due to the individual’s death or decision to withdraw from the election. The signed statement of withdrawal must be filed with the election office where the original candidate petition filing was filed. If a candidate dies, the candidate’s party organization, committee, or family should promptly notify the appropriate board of elections of the candidate’s death.

Municipal Offices (Other Than Judge and Clerk of Courts)

VILLAGES

Vacancies in elective office of villages that have adopted a limited form of home rule will be filled as provided by the applicable home-rule provisions. In all statutory (non-home rule) villages, the office of mayor is the only office requiring an election to fill an unexpired term, and then only if the following two conditions exist:

• The vacancy occurs more than 40 days before the next regular municipal election, and
• The unexpired term will end more than one year after that election.

Vacancies in other statutory village offices are filled by an appointment for the entire unexpired term. (R.C. 731.43, 733.25, 733.31)

CITIES

In all cities operating under a charter or other plan of limited home-rule government, the applicable provisions of the charter or home-rule plan will control the filling of vacancies.

In statutory (non-home rule) cities, vacancies in municipal offices for mayor, director of law, auditor, treasurer, and president of council, are filled by an election for the unexpired term if the following two conditions exist:

• The vacancy occurs more than 40 days before the next regular municipal election, and
• The unexpired term will end more than one year after that election.

Vacancies in other offices are filled by an appointment for the remainder of the unexpired term. (R.C. 731.43, 733.08, 733.31)
Municipal Court Judge and Clerk

JUDGE

Except where otherwise provided by charter, a vacancy in the office of a municipal judgeship that does not appear on this year’s ballot and that occurs after the 100th day before the date of the primary election, and prior to the 40th day before the November 7, 2017 general election, shall be filled by an election for the unexpired term. (R.C. 3.02, 1901.10)

CLERK

A vacancy in the office of an elected municipal court clerk is filled according to R.C. 1901.31.

Township Offices

A vacancy occurring in a township elective office that does not appear on this year’s ballot shall be filled by an election for the unexpired term if the vacancy occurs prior to the 40th day before the November 7, 2017 general election. (R.C. 503.24)

Boards of Education

Each person selected to fill a vacancy on a board of education shall hold office for the shorter of the following periods:

- Until the completion of the unexpired term, or
- Until the first day of January immediately following the next regular board of education election taking place more than 90 days after a person is selected to fill the vacancy.

If, prior to the 90th day (August 9, 2017) before the general election, a person is appointed to a board of education term expiring in 2019, an election for the remainder of the unexpired term shall be held on November 7, 2017. (R.C. 3313.11)

Primary Election

A candidate, other than a presidential primary candidate, may withdraw his or her candidacy by filing a written statement any time before the primary election (R.C. 3513.30(B)).
General Election

A candidate may withdraw his or her candidacy by filing a written statement at any time before the general election (R.C. 3513.30(D)).

If a candidate dies, the candidate’s party organization, committee, or family should promptly notify the appropriate board of elections of the candidate’s death.

The law provides various procedures for the replacement of a candidate who dies or withdraws during the election cycle. The procedures to be followed will be dictated by the specific facts surrounding the vacancy on the ballot (e.g., the office involved, why the vacancy occurred, the time remaining before the election, etc.) The two statutes that generally govern vacancies on the ballot are: R.C. 3513.30 and R.C. 3513.31.

Education and Training Requirements

Many offices have education and training requirements that must be satisfied in order for a person to qualify as a candidate for the office or in order for a person to qualify to hold the office. The Secretary of State’s Office cannot advise candidates or officials on what education and training requirements are required to obtain or hold an elective office.

Candidates are encouraged to seek out information on any education or training requirements for the office being sought.

Campaign Finance Reporting

At the time petitions of candidacy are filed, each candidate should receive materials from the board of elections about campaign finance compliance and reporting.

Additional information regarding campaign finance rules, reporting requirements, and filing deadlines may be found on the Ohio Secretary of State’s website.
Personal Financial Disclosure Statement

Any individual who becomes a candidate for or holds a state, county or city elected office, or the position of school board member in a school district with more than 12,000 students average daily membership, is required to file a personal financial disclosure statement. All public officials and candidates for elected office file statements with the Ohio Ethics Commission, except members of and candidates for the General Assembly, who file with the Joint Legislative Ethics Committee, and judges, who file with the Board of Commissioners on Grievances and Discipline of the Supreme Court.

For further information on the filing requirements and deadlines or to find a copy of a blank statement, visit the Ohio Ethics Commission’s website at: www.ethics.ohio.gov. If further information is needed, please contact the Commission at (614) 466-7090.

Candidates for the Ohio General Assembly may obtain additional information by contacting the Joint Legislative Ethics Committee at: (614) 728-5100 or www.jlec-olig.state.oh.us.

Judicial candidates can find information at:

www.supremecourt.ohio.gov/Judiciary/candidates/ or call the office of the Board of Commissioners on Grievances and Discipline at (614) 387-9370.
