

Scanner Team: Two Election Officials from opposite political parties. The following steps must be completed on ALL DS200s in your location. **NO EXCEPTIONS!**

Print Results Reports

Retrieve the DS200 Security Record from the Clear Plastic Envelope.

Remove the Tamper Tape from the Memory Stick Cover and stick it to the back of the DS200 Security Record.

Use the **PINK** Key to unlock and open the Memory Stick Cover.

! Apply slight pressure to ensure the key has been inserted all the way before turning.

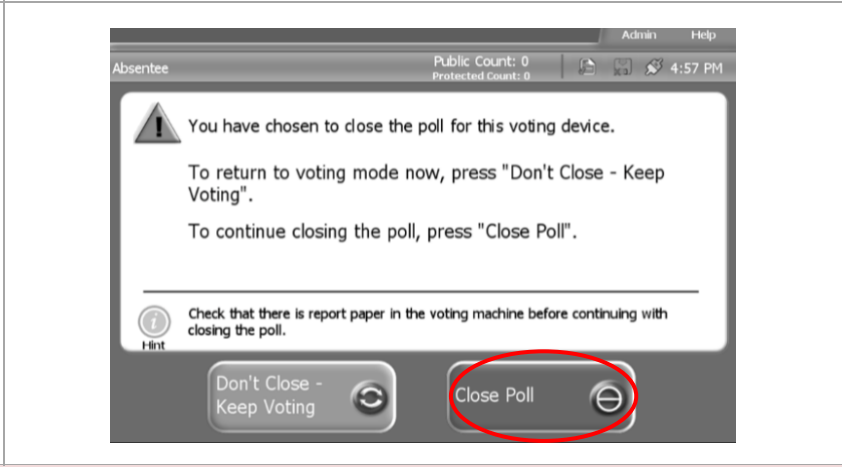

Press and hold the **CLOSE POLLS** button for three (3) to five (5) seconds and then release.

The DS200 Display Screen will read, "You have chosen to close the poll for this voting device."
Two (2) options will be displayed.

- Don't Close – Keep Voting
- Close Poll

Press the **Close Poll** button on the touchscreen. The DS200 will automatically print the Ballot Status Accounting Report and two (2) copies of the Voting Results Report.

! Do not remove the memory stick until all reports have finished printing and the unit has powered down completely!

Remove and separate the Ballot Status Accounting report and give it to the VLM to complete the Ballot Accounting process on the EPBs.

Two Election Officials of opposite political party must verify and sign both copies of the Voting Results Report.

Place a copy of the Voting Results Report:

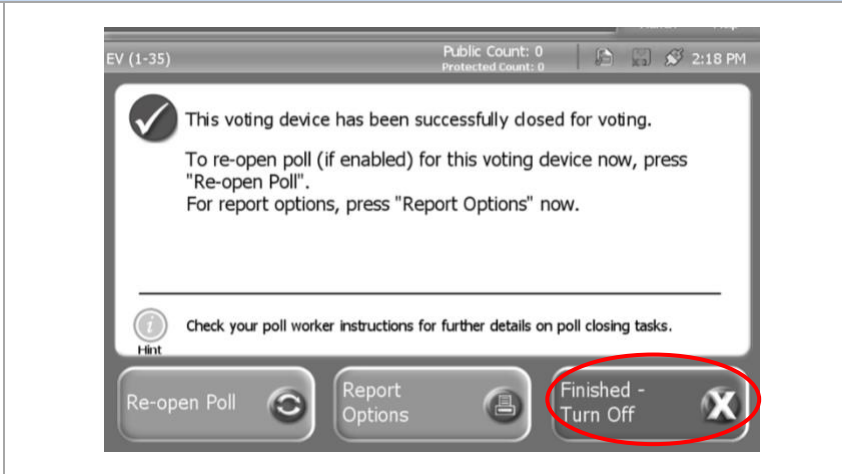

- At the exterior entrance to the Polling Location in public view; and
- In a **GRAY** Ballot Box.

Remove the Memory Sticks

Once the reports have finished printing, the DS200 will display the following options:

- Re-open Poll
- Report Options
- Finished – Turn Off

Press the **Finished – Turn Off** button on the touchscreen.

Wait until the DS200 is **COMPLETELY** powered down and the buttons are no longer illuminated. Gently remove the Memory Stick and place it in the Memory Stick Bag (attached to the **RED** Ballot Box).
